

5th Grade Math

Week of August 31

Learning Target: I can evaluate numerical expressions using words and order of operations.

Monday

Lesson Summary
i-Ready Math Diagnostic

Resources

- Teams

Work to Be Turned In:
i-Ready Math Diagnostic

Tuesday

Lesson Summary
Order of Operations practice problems

Resources

- Teams

Work to Be Turned In:
Finish i-Ready Math Diagnostic

Wednesday

Lesson Summary
Introduction to Numerical Expressions

Resources

- Teams

Work to Be Turned In:
Numerical Expressions Exit Ticket

Thursday

Lesson Summary
Numerical Expressions

Resources

- Teams

Work to Be Turned In:
More Numerical Expression Practice

Friday

Lesson Summary
Review of Order of Operations and Numerical Expressions

Resources

- Teams

Work to Be Turned In:
Numerical Expressions and Order of Operations Summative Assessment

Notes from your teacher:

- Join your Team meeting every day for the mini-lesson. Your teacher will give you guidance for your independent work.
